## Definition and Purpose Statement

### **Definition:**

This body shall be known as “SOUTHEASTERN ARIZONA NARCOTICS ANONYMOUS CONVENTION”, hereinafter referred to as SEAZNAC.

### **Purpose Statement:**

The purpose of SEAZNAC is to stimulate growth for the area fellowship and encourage unity with an annual celebration of recovery in Narcotics Anonymous.

### **Function:**

The function of SEAZNAC includes the following:

- Carry the message of NA to all parts of our area.
- Operate as a subcommittee of ASC.
- Hold ASC elections for incoming SEAZNAC chairperson and treasurer.
- Hold SEAZNAC subcommittee elections for all subcommittee chairpersons.
- Facilitate monthly SEAZNAC meetings and record minutes of each meeting.
- Report to ASC each month and provide an overview of the current month's minutes.
- Maintain a P.O. Box for SEAZNAC.
- Perform financial duties responsibly/transparently reg: SEAZNAC bank account and money handling.
- Facilitate an annual convention for SEAZNA.
- Provide a post-convention financial report to ASC and documentation to support an annual audit of all expenses and revenue for SEAZNAC.
- Provide a procedural and “*Lessons Learned*” transition to the incoming SEAZNAC committee and subcommittee members.

## Election Process

The SEAZNAC chair and treasurer will be nominated and elected at the first ASC session following the convention each year. It is the responsibility of the SEAZNAC Chair to announce next year's elections at ASC the month prior to the convention.

Elections for remaining administrative committee positions and subcommittee chair positions will be conducted by the new SEAZNAC Chair within one month after being elected. The incoming chair is responsible for organizing the election of remaining administrative positions and subcommittee chairs:

- Any member of NA may vote.
- All elected positions will serve a term of one year.
- Nominees must be present to accept nomination, submit a verbal statement of willingness and Q&A.
- Any position not filled during the designated election timeframe will remain open until a suitable person can be found to fill the position.
- All nominees must meet the minimum guideline requirements for the service position they are running for or have the guidelines waved at voting time.

**NOTE:** As a suggested guideline, most positions have a corresponding vice-chair. The expectation has been placed where the vice-chair learns how to do the duties of the chairperson, so they can move into the chair position the following year. This has proven to be very effective in making for a smooth transition from one year to the next. It is only a suggestion as anyone may run for election to any chair position if they meet the minimum qualifications for duty.

## SEAZNAC Operational Guidelines

*This body operates on a consensus based decision-making process (see CBDM Model):*

As a spiritual body we try to reach all decisions by consensus; we believe a loving God's will is expressed through our group conscience (2<sup>nd</sup> Tradition). In the event we cannot reach consensus, a two-third (2/3) majority will be required. One of the reasons we try to receive consensus is it follows our 9<sup>th</sup> Concept, "All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making process". The reason all committee members can vote on many decisions follow the 7<sup>th</sup> Concept "All members of a service body bear substantial responsibility for that body's decision and should be allowed to fully participate in its decision-making process".

### **CBDM (Consensus Based Decision Making)**

1. All Committee Idea Requests or IDRs (except elections) will first be considered using consensus-based decisions for the committee's purposes. The process for consensus-based decision making allows for points of view to be heard and fairly considered within the committee.
2. At this point the SEAZNAC Chair can recognize non-voting members if needed to obtain consensus. If at the end of discussion, the committee has not reached a decision, those dissented from the majority will be given the opportunity to state the reason for their dissent if they choose.
3. If their rationale does not persuade the majority to change their view, the dissenting member/s will be asked if they can support the majority view, even though they themselves do not agree with it.
4. In matters where the dissenters cannot assent to the majority, a decision will be reached by using a two-third (2/3) majority.

### **Voting Members**

- Administrative Committee member excluding SEAZNAC Chairperson.
- Subcommittee Chairs.
- Subcommittee Vice Chair when their Subcommittee Chairperson is not present.
- A two-thirds (2/3) majority is necessary if a consensus by the committee cannot be reached.

### **New Business - IDR**

- New business be presented to the secretary in written form.
- When an idea is being discussed in new business and has failed to meet a consensus before the SEAZNAC meeting ends, that subject will be brought up in old business at the next SEAZNAC meeting.
- Any member of NA may request time before the beginning of a SEAZNAC meeting and will be addressed before old business.

### **Removal or Suspension of a Voting Member**

- Elected members of SEAZNAC can only be removed by the service body who elected them.
- Great care and consideration should be used during any matter before this body that involves suspending a SEAZNAC member.
- Considerations for suspension:
  - Not performing their duties in a timely and responsible manner.
  - Missing two (2) consecutive meetings without notification to the chair.
  - Missing two (2) consecutive meetings without good cause, i.e., illness, family illness/death.
  - Emergencies.
  - Relapse.
  - Theft of convention money or property.

## Special Elections

In the event a voting member cannot complete their term:

- The duties shall be assumed by the Subcommittee Vice Chair or SEAZNAC Vice Chair.
- The SEAZNAC Chair may appoint an interim Subcommittee Chair or SEAZNAC Administrative Committee member if necessary.
- Nominations shall begin immediately for committee member positions other than those elected by ASC.
- The elections for a vacant position shall be held at the next scheduled meeting.

## Money Handling

- The SEAZNAC Treasurer, Vice Treasurer, Chair, and Vice Chair are known as the Collection Team during the convention.

## **Guideline Templates:**

### **Service Prayer and 12 Concepts of NA**

#### ***Service Prayer***

God, grant us the knowledge that we may act according to your divine precepts. Instill in us a sense of your purpose, make us servants of your will, and grant us a bond of selflessness that this may truly be your work, not ours, so that no addict, anywhere, need die from the horrors of addiction.

#### ***Twelve Concepts of NA***

1. To fulfil our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfil the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

## Contract Checklist

### Contract Checklist

1. Please submit contracts for review to the Board by two weeks prior to the next Board Meeting. The sooner you get the proposed contract to us, the smoother things will go for all of us.
2. The word "Contract" must be in the title on the first page. Some contracts may use the phrase 'Agreement' instead of 'Contract'. An agreement is different than a contract.
3. Use "The Southeast Arizona NA, Inc." in all contracts to be signed by the board. This is our legal name as defined by our incorporation paperwork that is on file with the Arizona Corporation Commission.
4. All available contact names, phone numbers and legal address' of service must be included in the contract.
5. Keep it simple, use plain language, avoid legalese wherever possible (the party of the first part etc....)
6. Are the dates and times correct and legible?
7. Are the dollar amounts correct?
8. Are the signature lines correct?
9. Detail all expected goods and services to be provided in the contract. Banquet orders and estimated total costs including any service charges based on room block being met and full sale of food if the contract is for the convention.
