### **Outreach:**

Really need support. I went to the Wilcox meeting in Dec alone. We are going to Tubac Feb 1st

### **Phone Line:**

January 13, 2018

In December 2017, phone line received 68 calls, 11 were forwarded to an addict phone line volunteer. The  
phoneline is currently up to date. All meeting lists are current.

If any of you have questions regarding phonenumber, please call, text, or send an email and I will get back to you as soon as possible. If all else fails, you can find me every month at Area. If you have complaints, it is really not appropriate for you to contact Intermedia. If you feel you can't call me or send an email, please register your complaints at Area. Intermedia can't talk to anyone who is unauthorized on the account.

The numbers this month were very low, approximately one third of what they were in 2017. I spent several hours talking to Intermedia in December and hopefully, the situation has been resolved. If you want specifics please give me a call.

As always, thank you for your service and for allowing me to be your trusted servant.

Judy C

### **PR Subcommittee Report**

January 14, 2018

The Public Relations subcommittee met this month at 10:40 a.m. at Streams of The Desert Church. The meeting was attended by: Mariel M (Chairperson) Emily S, Judy C, Gary M. & Chris M

Mariel opened the meeting with the serenity prayer.

Our next planned event is Friday, January 19<sup>th</sup> 11:30 AM @Wilmot St Prison for the Reentry Fair.

Mariel presented the idea of purchasing a table cloth with all the information we have on our banners to make the table more presentable and ease the amount of work for set-up.

This meeting was very brief and transitioned in to the Learning Day Planning Committee at 11AM.

The next meeting time and place is tentative since area will be held in Tubac.

### **SEAZNAC Report**

Feb 20<sup>th</sup> 2018

As we meet for the first time in Sierra Vista I am getting more excited about this convention. Thanks to Sheryl for organizing the meeting place and trying to get the walkthrough set up. I am sure we can schedule it soon. The coming couple of months are somewhat busy with the need to set pricing for registration and merchandise items as well as begin getting bids on entertainment so we can cost that portion of the convention. Being as we do not have an events and promotions chair, we will need to figure out how this will be accomplished as a committee.

I have sent in the registration for our convention to WSO. It should be ready and visible by 1/25.

Big thanks to Kathleen for selling the \$&^\*(\$^ out of pre-convention merchandise. This will be very helpful in the long run.

That's it for now and thanks for letting me be of service,

Andy C.
